907 Main, Winfield KS  
Hours: M-F 9-6, Sat 9-3

## News from the Field

Merry Christmas to all of our quilting friends! The holiday season is here; so surprise your favorite quilter with some fabric, a quilt kit, or a gift certificate so she/he can get whatever their heart desires. We have lots to choose from.

We want to thank the Thursday Morning Thimblers for the gift of another office chair for our classroom. They have been sooooo good to us! If you know a Thimbler, think of them and thank them when you sit in one of our comfy chairs for a sewing day or a class.

Also....we now are the proud owners of a heat press. It will make putting interfacing on t-shirts so much easier. A 15" x 15" square can be fused at one time. Only takes 15 seconds. You must make an appointment to use the heat press and you must use our interfacing (that's all we've tested with it), so give us a call if you are interested. Cost is \$1 per t-shirt. You do the cutting and fusing. We'll give the instructions. Keep this in mind for those graduation quilts.

An inventory reduction sale will be held on December 30. All clearance fabric will be reduced even further. Be sure to come in and see what fabrics are on sale that you need to have in your stash. Or get something to use for backing. Sale is limited to clearance fabrics on hand, minimum one yard cuts.

---

Announcing a "Scrap Bag Challenge" beginning January 1! Purchase a scrap bag and make something following the rules provided. When you turn in your completed project by March 15, you will receive a \$10 gift certificate. Winner will be decided on National Quilting Day by vote of customers

in the store that day. There will be a prize for the winner. So harness your creativity after the holiday and join the challenge!

A "Bunny Hop" will be held on March 17 in conjunction with Beehive Quilt Shop in Wellington and McDonald's Sewing in Arkansas City. Details to come after January 1. Set aside March 17 for some fun with your friends and participate in this new event.

## Yellow Brick Road Class

Our first class of the new year will be held on January 20 from 9am to 3pm. Yellow Brick Road is a beginner class that utilizes fat quarters. Kristi Hawkins will be your instructor for this class. The class focuses on a baby size quilt, but the pattern has instruction for other sizes. Cost is \$30 plus pattern purchase. All fabrics purchased for the class receive a 10% discount. Call or come by to sign up.

We just received a call that the 2017 Shop Hop fabric is in Kansas City. So....we hope to have it in the shop in the next week or two. If you preordered, we will call you when we have your

order ready for pickup. If you didn't preorder, come by and purchase some of this one-of-a-kind fabric. There will not be another order, so don't wait!

---
