News from the Field

October and fall days are upon us, although as I write this the forecast for today is 96. Is it still summer? Thanks to all who came by for our birthday sale. We enjoyed seeing many of you and were glad you were able to purchase fabric for those holiday projects. We have a number of kits and quick, easy gift items for you to sew for friends and family. We are receiving shipments of new lines of fabric quite often, so be sure to come by and see what we have for you.

Remember...the majority of our fabric is only \$10.99 per yard. And we are always available for consultation; we are happy to help with those quilting dilemmas!

Reminder: UFO sewing days are changed to October 13 and 14, due to the Shop Hop being the first full weekend of October. Change your calendars!

Note-Thursday Morning Thimblers will NOT meet in the classroom on October 5.

Central Kansas Quilt Shop Hop

Shop Hop is almost here! The dates for the hop are October 5-8. Times for all stores are 9am-8pm Thursday- Saturday and 11am-4pm on Sunday. Set up a road trip with your friends and visit all eight shops for a chance to win special prizes, including 2 vintage Singer

Featherweights and an Oliso smart iron.

The web site for the Central Kansas Quilt

Shop Hop has changed and the quilts are now posted for viewing. Please click [here](#) to go to the new site and view the quilts. Our quilt is pictured on the left. Call your favorite store and reserve a finishing kit. The official Shop Hop fabric is in short supply, so be sure to reserve your fabric prior to the hop weekend. Hope to see many of you the first full weekend of October!

The downtown Winfield Friday Art Walk will be held on October 13 from 5:30-7pm. Our featured artist for October is Carolie Ediger, batik egg artist. She paints beautiful, miniature designs on eggs. Stop by and see her creations. The egg pictured on the right is a small bantam egg. Her work is amazing! She will also have several items for sale that she has made with her egg art. Enjoy her creativity and then treat yourself to dinner at one of the downtown restaurants.

Checkered Dresden Class

October 21, from 9am-3pm, will be our Checkered Dresden class. This class will be taught by Chris Todd. You will learn how to put together beautiful checkered dresden plates for placement on background fabric. You can make an entire quilt or just make several for a table runner. Cost is \$30 plus pattern purchase. The quilt uses a jelly roll, or two if you want it bigger, and background fabric. Call or come by today to sign up. Class size is limited. Or...if you would like a chance to win the quilt (pictured at left) from Sacred Heart Catholic Church in

Arkansas City, we have tickets for sale at the shop.
